

Metroflor® is not just the name of an HMTX Industries company, but the essence of revolution in resilient flooring. As the leader in sustainability and transparency, we are engaging in collaborative partnerships that result in healthy, high-performing and biophilically-designed products. Disruptive intelligence dictates our culture. We are answering the need to educate, motivate, and encourage individuals to invest in a restorative ecosystem.

The future starts with all of us.

CALIFORNIA PROP 65	Compliant	FLAME RETARDANTS	None
CDPH v1.2 - 2017	Compliant		
REACH SVHC	Compliant (REACH SVHC 191)		

PRODUCT SAFETY & TRANSPARENCY

Metroflor's product testing program is remarkably stringent. Metroflor products are tested to the latest standards for Volatile Organic Compounds (VOCs), formaldehyde, phthalates, and heavy metals. In fact, the standards used for the testing of phthalates and heavy metals in Metroflor LVT are the same standards used for the testing of children's toys, setting a very high bar. Metroflor LVT has surpassed that bar – and we welcome you to inspect our HPDs and Declare Labels to your satisfaction. Equally important is the fact that Metroflor LVT is FloorScore certified, thus ensuring it meets strict standards for indoor air quality.

By selecting Metroflor, you have made the choice for safe and sustainable products. And isn't that what we all want when it comes to products in our businesses and homes? Come join us at Metroflor and discover all of the possibilities of resilient flooring.

AFFILIATIONS

Metroflor LVT Déjà New - Waxed Greige

WELL BUILDING STANDARD v2 - CONTRIBUTIONS TOWARDS CERTIFICATION

CONCEPT	FEATURE	PART	COMMENTS
Materials	X01 - Material Restrictions	Part 1(a): Restrict Asbestos	Metroflor LVT does not contain asbestos and thus complies with this prerequisite for resilient flooring.
	X05 - Enhanced Material Restrictions	Part 2(a): Select Compliant Architectural and Interior Products	Metroflor LVT does not contain flame retardants, PFAS, or orthophthalates.
	X06 - VOC Restrictions	Part 1(a)(b): Limit VOCs from Wet-Applied Products	Prevail® adhesives recommended for use with Metroflor LVT are FloorScore Certified and thus meet the requirements of SCAQMD Rule 1168 and CDPH Standard Method v1.2-2017.
		Part 2(a): Restrict VOC Emissions from Furniture, Architectural and Interior Products	Metroflor LVT is FloorScore Certified and thus meets the requirements of CDPH Standard Method v1.2-2017.
	X07 - Materials Transparency	Part 1(a)(b): Select Products with Disclosed Ingredients	Material ingredients for most Metroflor LVT collections have been disclosed in the form of Declare Labels and HPDs.
		Part 2(a)(b): Select Products with Enhanced Ingredient Disclosure	Most Metroflor LVT collections have had material ingredients at/above 100 ppm disclosed in the form of Declare Labels and HPDs.
X08 - Materials Optimization	Part 1: Select Materials with Enhanced Chemical Restrictions	Option 1(b)(3): Metroflor LVT does not contain any ingredients on the REACH SVHC list.	

LEED v4.1 - CONTRIBUTIONS TOWARDS CERTIFICATION

CATEGORY	PREREQ/CREDIT	DESCRIPTION	COMMENTS
Material & Resources	MR Credit	Building Product Disclosure and Optimization - Environmental Product Declarations (Option 1)	The industry-wide "Vinyl Tile" Environmental Product Declaration (EPD) published by RFCI (Resilient Floor Covering Institute) encompasses the dryback LVT products offered by Metroflor, including Metroflor LVT. The EPD is available for download from metroflorusa.com and rfc.com/environmental-product-declaration.
	MR Credit	Building Product Disclosure and Optimization - Sourcing of Raw Materials (Recycled Content)	Prevail 6000 PSA, one of the adhesives recommended for use with Metroflor LVT, has been certified by SCS Global Services as having at least 21% post-consumer recycled glass content (dry-weight basis).
	MR Credit	Building Product Disclosure and Optimization - Material Ingredients (Option 1)	Material ingredients for most Metroflor LVT collections have been disclosed in the form of Declare Labels and Health Product Declarations (HPD).
Indoor Environmental Quality	EQ Credit	Low-Emitting Materials: Adhesives & Sealants	All Prevail adhesives recommended for use with Metroflor LVT are FloorScore Certified.
		Low-Emitting Materials: Flooring	Metroflor LVT is FloorScore Certified and thus meets the requirements of CDPH Standard Method v1.2-2017.
